2. The State assures that it will administer the CFSP in accordance with methods determined by the Secretary to be proper and efficient.
3. The State assures that it has a plan for the training and use of paid paraprofessional staff, with particular emphasis on the full-time or part-time employment of low-income persons, as community service aides; and a plan for the use of non-paid or partially paid volunteers in providing services and in assisting any advisory committees established by the State.

Such information will include the reasons for disruption or dissolution, the agencies who handled the placement or adoption, the plans for the child, and the number of children to whom this pertains.
8. The State assures that no more than 10 percent of expenditures under the plan for any fiscal year with respect to which the State is eligible for payment under section 434 of the Act for the fiscal year shall be for administrative costs and that the remaining expenditures shall be for programs of family preservation services, community-based family support services, time-limited reunification services and adoption promotion and support services, with significant portions of such expenditures for each such program.
9. The State assures that Federal funds provided to the State for title IV-B, Subpart 2 programs will not be used to supplant Federal or non-Federal funds for existing services and activities.

I hereby certify that the State complies with the requirements of the above assurances.
